### "SCAA Challenge - 100 miles in May"

Once again, I am taking part in this challenge, along with my furry friend whose legs are even shorter than mine! I am aiming to complete 150 miles (last year I did 140!) to raise money for a new air ambulance. The object of this notice is to ask if anyone has a favourite walk they would like to do with me, or join me (and Hamish) for one of our walks, just speak to me, it would be good to have company and some different walks. Thank you from **AliG and furry friend**.
